Suzanne,
Hi sweetie!
How are you doing?
How's Arizona? Life
here in good old S.L.N.
is pretty good, but of course
with you here it would be better
so I wrote back to you, but I've missed you
had the much. I'm sorry I never
talk about time. But anyway just never
you as that. How's life? Did
glad you meet a lot of new people? I bet it
pretty good thought it would be. school has
Kimberly this year. So many things happened.
SORRY I'M SO LATE WRITING BACK. I'VE BEEN SICK FOR 3 WEEKS. I'VE BEEN SICK WITH ANOREXIA (SPELT WRONG). ACTUALLY I'VE BEEN SICK FOR 5 MONTHS AND HAS LOST 35 POUNDS. SHE HAS A NEW BOYFRIEND NAMED HEATHER COEGAN. BUT NOBODY GETS IT BETTER SOON. I GUESS I'D BE DEAD IF SHE HADN'T GOTTEN ME HELP. SHE IS BETTER AND HAS A PART TIME JOB AT A RESTAURANT. SHE'S DOING REALLY GOOD. I'M SO HAPPY FOR HER. I'M GETTING BETTER TOO. I'M ALMOST BACK TO MY NORMAL WEIGHT. I'M SORRY I'VE BEEN SO LONG WRITING BACK BUT I'VE BEEN SICK AND I'VE BEEN WRITING A LOT OF LETTERS AND I'M REALLY BEHIND ON MY HOMEWORK. I'M SORRY I'M SO BAD AT SPELLING & HANDWRITING BUT I'M SO BAD AT SPELLING BECAUSE I DON'T HAVE YOUR ADDRESS ANYMORE. HERE'S MINE.

MANASQUAN HIGH SCHOOL TREASURE CHEST 1987

DEDICATION

MR. LEE WEISERT

Dedication is that toward which each man strives at some time in his life. Each man endeavors to reach this goal and to become truly happy with himself, his work, his associates and his environment. It is unfortunate that all men are not able to reach this apex of interest, but there are those who do. The dedicated man will flow from any walk of life, from any profession or vocation. He need not be a dynamic personality or a renowned leader, but rather he be an individual who is concerned, an individual who, through his touch with reality and through openmindedness has found something in which he wishes to delve. He must be willing to share his life. He must be willing to sacrifice so that some good might come from his oblation. Then and only then will man realize dedication. Then and only then can man begin to perceive real happiness. He is a laborer; a father with a true devotion to his family. He is a man whose life revolves around those whom he loves. He is a man whose arduous tasks are alleviated by his consecration to kindred. He is a clergyman who, through his intimate association with the spiritual, employs all his senses in strengthening and affirming the faith of his fellow men. He is a teacher, a molder of minds, an educator exhibiting an active interest in those who seek knowledge through him. He is a man whose students are his life; whose words are his reward. He is a king, a leader of men, who would travel any road, perform any deed and pay any price so that his people might know peace. This is true dedication. This is true devotion. For there is no price too great. To Mr. Lee Weisert and to all men whose work is inspired by true devotion — we pay tribute. To men everywhere who coincide with this image — we dedicate this book.

Suzy-

Hey Babes! It's me, Heather! How's it going? OK over here. Remember when I told you that having those dreams Tim when I was w/ you? Well they came true. I'll write you a letter explaining everything later - but we did break up, Peggy asked me just yesterday (Oh! I'm mentioned in Tim's senior memories also!) I can't believe she's got her own apt. and is going w/ Shane. I also heard you went to Disneyland again! How was it? How many days did you stay in Calif? Did you check out the picture of us on pg. 100? Right now I'm in my math final! Mr. Commons is so grouchy! Do you have a boy friend yet? I don't! Oh! Well! How come you haven't written to me lately?

LITTLE THINGS

Little drops of water,
Little grains of sand,
Make the mighty ocean
And the pleasant land.
Thus the little minutes,
Humble though they be,
Make the mighty ages
Of eternity.

Julie A. Fletcher

I kept about staying

How's Tony? I heard you got a pool too! Cool! Next summer? Over to PJ's!

Want to thank Mom and Dad especially — you're the best! Thinking of you always J.M.Z.

JUNE 9, 1987

How are you doing? I haven't seen you in so long. How do you like Arizona? I miss ya. The year hasn't been the same without ya. Remember Jim Pesky? He's still as cute as ever. Come down sometime this summer so I can see ya. This school is basically pretty beat. Why don't ya write me sometime? I'd really like to hear from you. How are the guys there? Here they're basically ok. Sorry this is sloppy. I'm writing it in homeroom and I'm not exactly awake yet. So, if you ever get a chance write me a letter. I'll be good to hear from you. I really miss you a lot!

Love ya,
Karen Cammisa

BAND TRIP

50th ANNIVERSARY

In celebration of the 50th anniversary, the Warrior Band took its fourth trip to Florida. Major performances included the Hollywood Band Shell, and as seen here, the Main Street Parade in Disney World. The 120 students who endured the 24 hour bus ride each way enjoyed the damp but exciting Orange Bowl Parade, a day at the beach in Ft. Lauderdale, and a day in Walt Disney World. Despite the poor weather, an adventurous time was had by all.

MEMORIUM
Brian Kingdom

Today the sun broke through the clouds.
It was the first time in weeks.
My face began to tingle.
As the sunbeams kissed my cheeks.

It was you. I thought, saying hello,
There was something you were
Trying to tell me,
Something I knew.

Just then a breeze began to stir,
And it rumpled my hair.
It was you once more.
I was glad you were there.

You were picking on me again,
Like you had done so much in the past,
I thought I had lost my best friend,
I realized then, that the friendship
would always last.

Then I realized what you were trying to say,
That you would always be with me,
Every step of the way,
To watch over and care for me,
With the dawn of each day.

And each time the sun shines,
Or a breeze begins to blow . . .
A smile lights up my face,
Because it's you . . . This I know.
WE LOVE YOU BRIAN!

ALL OUR LOVE FOREVER!!

Hi Suz! Watsup? I wrote you a letter once but I never mailed it. Great, kid! Oh well. Hope you like it out there in East Bumble When ya gonna visit?

Nikkie

Compiling the 1987 Treasure Chest was not a trivial job because the changes that appear in this years yearbook were not an easy task to accomplish. Without the help of many people, it could not have been done. I would like to thank Mr. Smith for handling the business end of the yearbook and Miss McGrath for all her time and dedication. I would also like to specially thank my good friend, for all their help, and I especially thank my parents, for helping me make the deadlines.

This year's Yearbook Staff deserves a big hand for all their hard work, because without their dedication we would not have made it. GREAT JOB GUYS!!

I would like to wish a lot of luck to the 1988 Yearbook Staff and especially Lisa. Trust me, it's not easy.

In conclusion, I would like to wish the Class of 1987 the best of everything in their bright future.

GOOD LUCK,

Kristin Honey
